Three's Delicious, Too!

Okay, I lose, I made a bet with a buddy of mine that nothing is hotter than two girls getting it on. Then we turned the page and there were three girls getting it on. I fervently studied the photographs and ultimately decided he was right. So I ended up buying the beer and came back to the house to find them in the same debate but the topic was is boy/girl/girl hotter than girl/boy/boy. Good one!

— Daniel, Santa Monica

Deep Into Aletta

I just can't get enough of Aletta Ocean. What an absolute vixen. She has it all and likes to show it off, and I like that. I think I would cum if she just walked by me. I only hope that you keep putting her in your magazines because I need to change the pictures in my bathroom frequently!

— Devin, Memphis

Feet: Start Walking

What a pleasure it was to see Monica Sweetheart again in your last issue. She has always been a favorite of my wife and myself. As a matter of fact, we would have videos of her in the background in our bedroom as we fucked. Oftentimes we would mimic her positions and actions in our lovemaking. Except for all the anal. While my wife does enjoy anal, she doesn't do it as long as Monica does in her sex scenes. We loved the video that came along with her layout and even brought out our vibrators and buzzed along with her. Our vibes were a few years old so we went to the toys website in the issue and actually bought a couple new vibes, and a large flesh colored dildo for the wife. Can't wait to use them!

— Jordan, Philly

Warm, Wet Bodies

Okay guys and gals, you've completely made my day, night and even a couple days into next week with two amazingly lovely ladies. Krystal and Sophia and sex personified. Beautiful ladies, beautiful boobies, beautiful butts, and beautiful bodies. The photography is so crisp and clear, it seems like I'm watching them out my window (man, if only I was). Now I don't want to keep gushing about these two, so I'll add that I thought the rest of the issue was worth every penny. Call me old school because I like magazines (I like the internet also for my porn), because they are immediate, always handy, don't have to get out a computer to view it (phones: too small for my viewing pleasure).

Heavenly Bodies

Brett and Celeste have three common interests: shopping, playing dress-up, and cunnilingus— both giving and receiving. Today's trip to the mall yielded a bag full of pretty bikinis, a mani/ pedi, and two soaking wet pussies eager to get fingered. They started in the car in the parking lot, rubbing each other to climax while the windshield fogged up with the heat and ardor of their passion. Then they drove back to Brett's place to chow down.

.....

Her name was Lorraine and she was a looker. Beautiful body, pouty lips, full bosom and a round ass to bottom it all out. She was wearing a dark blue suit but no blouse under the jacket. Only a pretty lace bra that would peek out at me every now and then. She had dark blonde hair that was cut full just at shoulder height. Her nails were blood red and impeccable. No rings, I noticed. I was instantly attracted, but tried to keep my composure throughout our meeting. At the beginning of dinner, we spent many minutes getting to know each other, and by the time dinner came we had felt each other out and I think she was confident in me handling her money.

After ordering some Bananas Foster for dessert, Lorraine changed the tone of our conversation and began asking about

me. I said I had divorced my wife of ten years six months ago after I found out she was cheating on me. She said I spent too much time working, but I think we were probably married too young. Slowly our conversations became more personal and we started chatting over phone. One day I found myself at her house on an invitation to have lunch with her.

When I arrived, I gave her the couple bottles of wine (one white, one red since she wouldn't tell me what she was cooking). She took them and told me to follow her to the kitchen where she asked me to help her. Her attire tonight was much less rigid than our lunch. She was in a body hugging, skinny-strapped cami tucked firmly into her jeans. Her body was nicely proportioned and I wondered what she would look like naked, but again, I

restrained my mind and focused on the dinner. I could see that she was watching me very closely took a few opportunities to come near me. A couple times she got behind me and grabbed my arm to show me how to stir the sauce the way she wanted. The third time she put her whole body behind me and pushed rather firmly on me. She was making chicken marsala and asked me to come over and have a taste of the sauce. She thought it needed more lemon. I went over and somehow got the courage to go behind her and put my hands on her shoulder as I leaned in for a taste. She stepped back slightly pushing her butt into my crotch, but I didn't know what to do.

Fortunately, for me, she turned around, gave me an erotic smile and kissed me on the lips. Her kiss and her look was so hot, my cock became a hot rod. I turned her back around on the pretense that the meal would burn. I hugged her lightly and pushed into her. I placed light kisses on her shoulders and the back of her neck. I licked her neck, earlobes, and her upper back. She leaned her head back into me and swirled her hips into my crotch again.

Lorraine took the pan with the chicken and put it on a back burner and turned off the fire. She turned around and pulled me to her and started sucking my lips. We were kissing and tasting each other's tongue for five long minutes. We became very hot and the kisses became licks, bites, moans and one hand was pressing against her boobs and the other was pulling her into me by her butt. I pulled her hair back and started licking & biting her neck. She put one hand behind my head pulling my kisses deeper into her when suddenly I felt her hand right on my cock, over my pants, giving it a good firm squeeze.

Sensing that dinner was going to waste, she asked in short breaths what I wanted to do about dinner. I told her to cover the pan and leave it there. We had about two hours before it went

bad, and at this point I didn't really care.

We went to her bedroom and immediately to the bed. We started kissing again and after sometime we both became wilder and undressed our bodies and started feeling them. My body could feel every inch of her body touching mine. I was licking her neck, slowly going down to her boobs, navel and then to her toes, and back up to her thighs. She was moaning and became wetter and wetter. She then started wildly kissing, licking and biting me all over. She begged me to fuck her. I licked her upper thighs and then reached her pussy. I placed a pillow under her so that I could finger fuck her pussy while licking it. I slowly slid more fingers

into her until she was not able to bear it. She was dripping her love juices and I licked her from her pussy to her anus and back to slowly biting her clit.

Lorraine moaned and squirmed while I ate her, crying out as she came repeatedly. I took her to the limit of what I thought she could take, and then went past it, eating her hot pussy to my heart's delight. I stopped and moved up to kiss her. She remarked on how yummy she tasted on my lips. I lay on my back while Lorraine climbs across me, taking my hard cock into her soft hands and hot mouth. Her wet lips slid enjoyably along my stiff shaft, and I lay back and watched her as she worked enthusiastically to please me. She moved between my legs, running her tongue down my shaft and over my scrotum. She then licked her way slowly back up and took me again in her mouth. She worked her lips up and down my cock swiftly but smoothly, moving rapidly

and taking more of me down her throat with each pass.

She move her fingers along my hard dick in time with her mouth, and I told her she needed to slow down or I was going to cum. She stopped to smile at me and changed her pace accordingly. She stopped before I got to a point of no return. I got up while she got onto her hands and knees. Lorraine moaned as I stuffed my hard dick into her, and pushed backward as I surged forward, filling her with my erection. She groaned and squealed as I held her hips and fucked her. She wiggled her hips in ways that increased enjoyment for both of us. She found a position that ran the head of my cock along her G-spot, and panted and shook as she undulated rapidly, rubbing the hard tip of my dick along her spot.

Grinding her pelvis back into me with each thrust, she heaved her body forward and back and exploded around my stiff penis. I fucked her hard, running my hands over her warm skin as I hammered my cock into her pussy. The force of my thrusts drove her forward with each powerful stroke holding her hips and pulled her back onto me. Eventually after I'd lost count of how many times she'd cum, I pushed her forward onto her stomach, closing her legs.

This position made Lorraine feel even tighter on my cock and allowed me to drive myself ever deeper into her. She moaned as I fucked her hard and deep, my face mere inches from hers as I covered her with my body. Holding her tightly, I whispered about how good her pussy felt around me. She whispered back that I could cum inside her if I wanted to. She was safe. I picked up the pace as she shrieked below me with each thrust, and then slammed forward as my climax exploded inside her.

She kept clutching and squeezing me as I rammed deep into her, her pussy clamping down and milking every possible drop of cum. We continued fucking as I rode out my crescendo and she came

a final time with me as we moved together in orgasmic rhythm. We finally slowed to a stop, and she turned her head so I could kiss her.

I carefully withdrew, and got up to clean up. We each got a drink and dried off, and then I joined her back in bed to kiss and hug. Several minutes passed talking about investments and sex when she suddenly gets back on her hands and knees and motions me to get back there. I attack her pussy from behind. She raises her ass to which I place myself at her rear entrance and push forward, gently at first. Her moans become increasingly louder. My hands are at her hips for pace which is getting faster.

When the waves of my climax subside, I pull myself out and watch her collapse onto the bed. Her moans are like angelic music comin down from the heavens.

Her hands are desperately looking for something to grab on to so she can better reciprocate my thrusts. She finds the edge of the mattress, grabs hold tightly and is able to push back. We now slam into each other. Her cries of lust are pushing me over the cliff and with a loud grown – I cum. Every shot into her tight ass is accompanied with a deep thrust from me. When the waves of my climax subside, I pull myself out and watch her collapse onto the bed. Her moans are like angelic music coming down from the heavens. I think that this can't be the same beautiful woman I met weeks ago. The same woman that I thought I could only dream of fucking. And I did.

I look down at the heaving woman laying naked in front of me. Her figure cutting a beautiful silhouette on the bed. Still breathing hard, she looks up at me. In between deep breaths she smiles and asks, "Do you think the chicken marsala is still edible?"

Helping Mouth

Aiden has an unusual issue. "I blew this dirtbag last week, and I can't get the taste of his grimy cock out of my mouth. I brush and gargle and it won't go away!" she explains. "He looked homeless so I offered him a lift to the shelter. He took his dick out along the way and started playing with himself. I felt bad for him. He asked me to blow him. He was gross, but I told him I would if he promised not to cum in my mouth. He promised—but he lied!"

BLAIR-NTS-09

FRAT GUYS KNOW HOW TO HAVE A GOOD TIME

I live in a mid-size university town in Illinois. The town itself is pretty small but the university counts more than double the population. Needless to say, stuents rule. With so many hormones raging around the town there is all sorts of screwing going on at anytime of the day and night in almost any place you can imagine. But today I'm going to talk about one part of campus life that hides under the radar.

And that's frat chaperones. And what that means is that in fraternity and sorority houses, there are older women that seem to enjoy the company of college women and men. They 'work' at the frat house making meals, keeping the guys in line, especially at parties and such. In such a confined environment, it's inevitable that there may be hanky panky between the house chaperones and students. Many frats make it a point to hire only 'unfuckable' women. Foreigners, older ladies, lesbians, and the ugly. That tends to minimize the amount of potential hanky panky.

Some, on the other hand look for chaperones that are willing to fool around. It tends to keep a lot of the hormones in the frat house and away from other campus events where pumped up guys can get out of hand. With all that said, let me tell you about Flame. She has been at our frat house for the last three years, Just the same time that I joined. She was 32 and very attractive. Her ex-husband had attended

the same frat and she said she has a fondness in her heart for the guys in it. That's okay by me. It was an unwritten rule that if she wanted to play around with you, she would pick you and you'd keep it to yourself. The last thing needed in this place was jealous

dudes and the school administration finding out, although we all knew that they knew.

One of her best traits was at frat party time. She had a direct pipeline to the better sororities and they provided the best and most discreet girls for the more private parties at the frat house. Flame herself was not above joining in a little girl-girl action but never fucked any of the guys in front of each other, or the girls. Perhaps the greatest perk of this frat was the private parties.

These were open only to upper classmen, usually juniors and seniors, and

enough of them are held throughout the year that everyone gets a shot at some fine sorority pussy. These parties involved only half a dozen people or so and were held in the middle of the week. The guys and girls involved did not have classes the next morning and since they were mid-week they were easier to keep quiet.

I received the invitation for next Thursday's party. 11:00 pm in the movie room of the frat house. It was a dark paneled room with half a dozen sofas and a few more overstuffed chairs where Fridays and Saturdays were communal movie night; and anyone could use it during the week,

*She started sliding her hand up and down my shaft, occasionally dropping her hand down further to caress my balls. She knew just what she was doing, but she also knew that she shouldn't really get me off -
I was here for Flame.*

until 10 pm – then everyone had to be in their rooms, studying or sleeping. By 10:30 there were three guys and three girls and Flame. She had paired us up and introduced us over glasses of wine or beers. By 11:30 we were all feeling pretty good and the lights were turned down even more and changed to a warm amber color. My date was Shawn, a 5' 9" blonde coed from the Kappa Delts, the hottest sorority on campus. The other guys got dates just as hot but my focus was on Shawn.

The party started with Flame gently kissing the mouth of my date, warming her up for me. Without breaking the kiss, Flame reached down to Shawn's jeans and unsnapped them. I could tell by the way that she moved her arms and shoulders that she had put her hand inside the girl's pants and begun massaging her pussy. I knew that I was going to get to see more of her in a few minutes and I was content to just watch Flame warm her up for me.

I saw the other two girls in the corner whispering excitedly to each other as they watched. I returned my focus to Flame who had turned the girl around so that she was facing the wall, her pants unbuttoned and about ready to fall down. Flame had her bend over and put her hands on the wall, leaning against it and making her taut ass poke out into the room. I can tell you she had a world-class ass.

Then Flame brought her hand up, and with a smile on her face smacked the girl hard on the ass. She moaned

softly and stuck her butt out even further, wiggling it teasingly from side to side. I suddenly remembered that I was here to screw this girl myself and not just to watch Flame have fun. I stepped forward and Flame noticed me and as I got close to them, Flame stopped caressing the girl's warm bottom and stood up next to her.

Flame smiled at me with her eyes and then stepped close to me and started to unzip my jeans. Flame dropped my pants down over my ass, exposing my erection. She started sliding her hand up and down my shaft, occasionally dropping her hand down further to caress my balls. She knew just what she was doing, but she also knew that she shouldn't really get me off – I was here for Shawn.

Flame grabbed my dick and guided it towards Shawn's firm butt. She let go as the cockhead arrived inches from

butt and my rod. She moaned softly as she felt the wetness. Then she stood up straight, rubbing my bare dick with her bare ass as she tried to make as much contact with my body as she could. My arms slipped around her and grabbed onto her boobs through her shirt.

After caressing them for a moment, I slid my dripping tool up and down her ass. In one fluid move she slipped her t-shirt off over her head, and I got to see her perky nipples being teased by my fingers. I was engrossed in the pleasures of her butt, lost in a dreamland of lust. But Still, I noticed when Flame knelt down beside the girl's legs. She slid her pants and panties down and helped her step out of them. I glanced down and saw that she was totally naked now except for a pair of lacy white socks that came up to her calves.

her ass and I stepped closer feeling my flesh on her flesh. I laid my cock between the cheeks of that delectable ass and a little spurt of precum squirted out of me, lubricating her

All the while I kept up a steady rhythm, riding the outside of her slippery ass just like I wanted to ride the inside of her pussy. Sensuously she began to turn around, her arms encircling my head and her young breasts pushing into my chest. My bare cock left a slimy trail of sperm on her tight stomach as she came to face me. She brought her lips up towards mine, ready for a kiss. As we kissed for the first time she reached down and took my rod in her hand and rubbed it against her belly. Her lips were firm and delicious, and I was so busy kissing her that I barely noticed that Flame had slid my pants down, freeing my legs and my cock.

I was so horny that I knew I was going to have to take her soon. I gave Shawn a little push and she fell back on the sofa. She spread her legs wide as I stepped between them. I tangled my fingers in Shawn's hair as she took my dick in her hand and leaned close. She stuck her tongue out and licked the pre-cum off of the purple head, and I could feel her trembling under me as the taste sent little pre-orgasmic shivers through her. After a half-dozen licks she took me deep into her mouth. I couldn't believe the sensation as she slid her mouth up and down my shaft.

When I felt the cum bubbling perilously close to shooting out of me, I gently pushed her back on the sofa. She slouched there with her legs spread wide and her eyes twinkling up at me. She had a little smile on her face, but her breathing was hot and heavy as she waited to be skewered with my hot steel rod. I knelt between her legs and she drew her knees up, exposing her cute little pussy to my hungry tongue. I put my hands on her ankles, and even the lace of her socks felt sexy at that point. I pushed her legs wider to get an unobstructed view of her slit.

First I licked the right side, and then the left. Over and over I caressed her with my tongue, carefully avoiding touching her slippery inner lips. Finally, unable to take my teasing any longer Shawn grabbed my hair and pulled my face closer, grinding herself against my lips and forcing her wet hole to join with my mouth.

I reached my hand around her leg so that I could get my finger on her clit, and I flicked it wildly as I continued sucking. It was as if an electric shock passed through her. She spasmed and came into my mouth, riding the waves of pleasure that passed through her. As she came, her pussy

became even wetter and her girl liquids oozed onto my lapping tongue. I slurped every delicious drop, wondering if I would ever taste anything this insanely good again.

Still gasping for air but finished with her orgasm, Shawn finally relaxed her legs and let go of my hair. I stood up straight on my knees and scooted in closer, my throbbing dick only inches from her cute little slit. Shawn spread her legs even wider and slid her ass towards me, her pussy pleading for my penetration. I grabbed my cock and guided it into her wet hole. The warm sensation ran through my entire body. It was

like I was all cock and nothing else. As I rapidly slid myself in and out of Shawn's velvety warmth, the cum which had been building up inside of me began boiling out of my balls.

I rammed myself into Shawn as far as I possibly could and froze. After a second or two my dick injected load after load of hot white sperm deep into her. She came too, looking into my eyes and squeezing my hand in a death grip as her body squirmed and spasmed around our joining. I never felt so drained in my entire life. Exhausted by my orgasm I let go of her hand and fell away from her.

I saw Flame approach her and she quickly got down on her hands and knees and crawled to Shawn's dripping pussy. Flame dropped her mouth to the sperm trickling from Shawn's hot pink slit. Flame licked my warm seed from Shawn's wet lips, savoring each drop and then swallowing her juices mixed with my cum. She had her eyes closed and a little smile on her face as she enjoyed Flame's oral attentions. It wasn't long before Flame had licked up all my cum off of Shawn.

Flame wiped her mouth with the back of her hand and stood up. She helped Shawn stand up. They gave each other a kiss and invited me over for a three-way smooch. After that night, Shawn and I became boyfriend and girlfriend. Many times I thanked Flame for introducing us at the party. "That's what I'm here to do," she said.

While you guys tend to focus on sex with your cocks, we women tend to use our mouths more for sex. It's pretty evident when we suck your cock, but you have to go down us for longer than you usually do. But when you're with another woman, using the mouth is mandatory since it can be a much more than a sexual organ.
